Part-III: DEVELOPMENT AND OPERATIONS

ARTICLE 9: PERFORMANCE SECURITY

9.1 Performance Security

- (a) The Concessionaire shall, for the performance of its obligations hereunder during the Construction/Development Period, provide to the Authority within 30 (thirty) days from the Execution Date, an irrevocable and unconditional guarantee from a Bank for a sum equivalent to Rs. [2,72,00,000] (Rupees Two Crore and Seventy Thousand Only) substantially in the format set forth in Schedule-F (the “**Performance Security**”). The Concessionaire shall maintain and keep in force the Performance Security for the entire duration of the Performance Security Period in accordance with this Article 9. This Performance Security shall remain valid till achievement of COD. Until such time the Performance Security is provided by the Concessionaire pursuant hereto and the same comes into effect, the Bid Security shall remain in force and effect, and upon such provision of the Performance Security pursuant hereto, the Authority shall release the Bid Security to the Concessionaire.
- (b) At least 30 days prior to the achievement of COD, the Concessionaire for the performance of its obligations hereunder during the Operation & Maintenance Period, provide to the Authority, an irrevocable and unconditional guarantee from a Bank for a sum equivalent to Rs. 1,63,00,000/- (Rupees One Crore and Sixty Three Lakhs Only) substantially in the format set forth in Schedule-F (the “Performance Security”). The Performance Security shall initially be valid, in force and effective up to a period of 5 (five) years.
- (c) At least 30 (thirty) days prior to expiry of existing Performance Security, the Concessionaire shall submit, to the Authority, a fresh Performance Security, in the form of an irrevocable and unconditional bank guarantee valid for a period of subsequent 5 (Five) years. The value of fresh Performance Security, to be submitted in any period, shall be computed by increasing the Performance Security of the previous period with an escalation at the rate of 100% of WPI for the previous five years.

For Example:

Effective Date:	1 st Jan 2024
Conditions Precedent Period:	180 Days
Appointed Date:	29 th June 2024
Construction Period:	24 months
COD Achieved on:	30 th June 2026
Performance Security (PS) on COD	Rs 2.50 crs

Now, Performance Security (PS_{n+5}) post 5 Years from the original Performance Security (PS_n) will be calculated as under:

$$PS_n = 2.50$$

$$WPI_n = 100$$

$$WPI_{n+5} = 125$$

$$PS_{n+5} = 2.50 * 125 / 100 \text{ Therefore, } PS_{n+5} = 3.125$$

Where,

PSn = Performance Security Paid at the beginning of the 5 year Period

PSn+5 = Performance Security payable the beginning of the 5 year period immediately succeeding the 5 year period for PSn.

WPI_n = WPI at the beginning of Year of submission of PSn

WPI_{n+5} = WPI at the end of 5 year from PSn+5

Note: *The WPI reference shall only be considered for the purpose of Appreciation in the values. Any depreciation as a result of WPI decline shall be treated as no appreciation.*

- (d) Notwithstanding anything to the contrary contained in this Agreement, in the event that the Performance Security is not provided by the Concessionaire within the above specified period, the Authority shall have the right to encash the Bid Security and appropriate the proceeds thereof as Damages, and thereupon all rights, privileges, claims and entitlements of the Concessionaire under or arising out of this Agreement shall be deemed to have been waived by, and to have ceased with the concurrence of the Concessionaire, and this Agreement shall be deemed to have been terminated by mutual agreement of the Parties.

9.2 Appropriation of Performance Security

Upon occurrence of a Concessionaire Default or failure to meet any Condition Precedent or failure to make any payment which becomes due and payable to the Authority under and in accordance with this Agreement, the Authority shall, without prejudice to its other rights and remedies hereunder or in law, be entitled to encash and appropriate the amounts due and payable as liquidated damages from the Performance Security as Damages for such Concessionaire Default or failure to meet any Condition Precedent or failure to pay such amounts which are due and payable by the Concessionaire to the Authority under and in accordance with the provisions of this Agreement. Upon such encashment and appropriation of the Performance Security, the Concessionaire shall, within 15 (fifteen) days thereof, replenish, in case of partial appropriation, the Performance Security to its original level, and in case of appropriation of the entire Performance Security provide a fresh Performance Security, as the case may be, failing which the Authority shall be entitled to terminate this Agreement in accordance with this Article 32. Upon such replenishment or furnishing of a fresh Performance Security, as the case may be, the Concessionaire shall be entitled to an additional Cure Period of 120 (one hundred and twenty) days for remedying the Concessionaire Default or for satisfying any Condition Precedent, and in the event of the Concessionaire not curing its default or meeting such Condition Precedent within such Cure Period, the Authority shall be entitled to encash and appropriate such Performance Security as Damages, and to terminate this Agreement in accordance with Article 32.

Upon request made by the Concessionaire for release of the Performance Security along with the particulars which establish satisfaction of the requirements specified in this Clause 9.3 and subject to the creation of Deemed Performance Security in accordance with Clause 9.4, the Authority shall release the Performance Security forthwith.

The Concessionaire shall be obligated to keep the Performance Security revalidated, renewed, extended and continuously in force and effect up to a period of six months beyond the end of concession tenure.

9.4 Deemed Performance Security

The Parties expressly agree that at least 15 (fifteen) days prior to release of the Performance Security in accordance with the provisions of Clause 9.3, a substitute Performance Security for the same amount shall be deemed to be created under this Clause 9.4, as if it is a Performance Security under Clause 9.1 for and in respect of the entire remaining Concession Period (the **"Deemed Performance Security"**). The Deemed Performance Security shall be unconditional and irrevocable, and shall, notwithstanding anything to the contrary contained in Article 26, constitute the first and exclusive charge on an equivalent balance in the Escrow Account and the payments accrued or payments due and payable subsequently, as the case may be, to the Concessionaire under this Agreement and over which the Authority shall have the first and exclusive charge, including to the exclusion of the Senior Lenders, and shall be entitled to appropriate any amount therefrom as if it is an appropriation from the Deemed Performance Security under Clause 9.5. For avoidance of doubt, the Parties agree that no amounts shall be earmarked, frozen or withheld in the Escrow Account for securing payment of any potential Damages that may fall due at a subsequent date, and only the amounts which shall have become due and payable by the Concessionaire to the Authority under and in accordance with the provisions of this Agreement shall be liable to appropriation hereunder.

9.5 Appropriation of Deemed Performance Security

Upon any amounts becoming due and payable by the Concessionaire to the Authority under and in accordance with the terms of this Agreement, the Authority shall, without prejudice to its other rights and remedies hereunder or in law, be entitled to appropriate the amounts due and payable. For avoidance of doubt, the Parties expressly agree that upon the Deemed Performance Security being appropriated, in whole or in part, it shall be deemed to be replenished to the extent of such appropriation.

9.6 References to Performance Security

References to the Performance Security occurring in this Agreement for and in respect of any period prior to the delivery of the Performance Security by the Concessionaire to the

Authority, or in respect of any period subsequent to the expiry or release thereof, as the case may be, shall be construed solely for the purposes of calculating the amount of Damages payable by the Concessionaire and/or any amounts due and payable by the Concessionaire to the Authority under and in accordance with the provisions of this Agreement, and the amount so determined shall be appropriated from the Bid Security or Deemed Performance Security, as the case may be.

For avoidance of doubt and by way of illustration, if the total expenditure incurred prior to the Transfer Date is 90% (ninety per cent) of the Total Project Cost, the expenditure eligible for computation of Termination Payment hereunder shall be 50% (fifty per cent) of the Total Project Cost and the Termination Payment due and payable in such event shall not exceed 45% (forty five per cent) of the Total Project Cost. The Parties further agree that for the purposes of this Clause 32.3.3 Total Project Cost shall mean the amount specified in Sub-Clause (b) of the definition of Total Project Cost in Clause 43.1. The Parties also agree that for determining the Termination Payment under this Clause 32.3.3, the expenditure comprising the latest Project Milestone shall also be reckoned.
- 32.3.4 Termination Payment shall become due and payable to the Concessionaire within 15 (fifteen) days of a demand being made by the Concessionaire to the Authority with the necessary particulars, and in the event of any delay, the Authority shall pay interest at a rate equal to 3% (three per cent) above the Bank Rate] on the amount of Termination Payment remaining unpaid; provided that such delay shall not exceed 90 (ninety) days. For avoidance of doubt, it is expressly agreed that Termination Payment shall constitute full discharge by the Authority of its payment obligations in respect thereof hereunder.
- 32.3.5 Upon Termination on expiry of the Concession Period by efflux of time, no Termination Payment shall be due and payable to the Concessionaire; provided that in the event any Project Assets, essential for the efficient, economic and safe operation of the Resort and Project Infrastructure, shall have been acquired and installed after the 25th (twenty fifth) anniversary of Project COD, with prior written consent of the Authority (which consent shall not be unreasonably denied), a Termination Payment equal to 50% (fifty per cent) of the Adjusted Depreciated Value of such Project Assets shall, notwithstanding the provisions of Clause 35.2.1, be made by the Authority to the Concessionaire.
- 32.3.6 Notwithstanding anything to the contrary contained in this Agreement, but subject to the provisions of Clause 32.3.5, in the event any Project Assets, essential for the efficient, economic and safe operations of the Resort and the Project Infrastructure, shall have been acquired and installed after the 25th (twenty fifth) anniversary of the Appointed Date, with prior written consent of the Authority, which consent shall not be unreasonably denied, a sum equal to 75% (seventy five per cent) of the Adjusted Depreciated Value thereof shall be deemed to be Debt Due for the purposes of Termination Payment.

- 32.3.7 The Concessionaire expressly agrees that Termination Payment under this Article 32 shall constitute a full and final settlement of all claims of the Concessionaire on account of Termination of this Agreement for any reason whatsoever and that the Concessionaire or any shareholder thereof shall not have any further right or claim under any law, treaty, convention, contract or otherwise.

32.4 Certain limitations on Termination Payment

- 32.4.1 Termination Payment, due and payable under this Agreement shall be limited to the Debt Due and Adjusted Equity, as the case may be, which form part of the Total Project Cost, in accordance with the provisions of this Agreement. The Parties also agree that, notwithstanding anything contained in this Agreement, for the purposes of computing Termination Payment, the Debt Due shall at no time exceed 70% (fifty per cent) of the Total Project Cost.
- 32.4.2 The amount payable in respect of any Debt Due expressed in foreign currency shall be computed at the Reference Exchange Rate for conversion into the relevant foreign currency as on the date of Termination Payment. For the avoidance of doubt, the Concessionaire acknowledges and agrees that all sums claimed by such Contractors as being due and owing for works and services performed or accruing on account of any act, omission or event prior to such date shall constitute debt between the Concessionaire and such Contractors, and the Authority shall not in any manner be liable for such sums.
